

GIGA X3 Professional

PROFESSIONAL

Moving into the top class

The new GIGA X3 Professional offers everything needed by staff in a large office or staff room. It delivers up to 43 individually programmable speciality coffees at the touch of a button, including the en-vogue flat white. As well as offering simple operation, it takes minimum effort to refill thanks to the large bean container with a holding capacity of 1 kg and aroma preservation cover. Other features include an optional coffee grounds disposal function and drip drain set. Integrated rinsing and cleaning operations started at the touch of a button minimise the amount of work needed to maintain the machine on a daily basis. A large water tank and large coffee grounds container allow for flexible and mobile use.

Benefits

- Professional ceramic disc grinder
- Variable dual spout with 2 coffee spouts and 2 milk spouts
- Customisable start screen
- With optional coffee grounds and drip drain set

Technical overview

JURA standards

Variable brewing unit, from 5 g to 16 g	■
